THAT YOU CAN TRUST

WHY CHOOSE US?

ABOUT US

Our mission at Security Guards UK is to deliver the highest level of service to our clients whilst offering a complete cost effective Security Solution. We endeavour to provide a reliable service which is also complimented by our large resource backup.

GUARANTEED TO BEAT ANY QUOTE!

A FEW OF OUR ACCREDITATIONS

At Security Guards UK, we have spent 20 years earning a highly respected name in the industry. Along the way we have earned ourselves a variety of different accreditations which regulate the security industry, ensuring that all our clients receive the highest quality of service.

20+ YEARS EXPERIENCE

We provide a range of security solutions that are utilised by many businesses up and down the UK to assist in the fight against crimes such as theft, vandalism, and breaking & entering.

Get in touch with our security experts today if you have any security concerns regarding your property. Each of our services are tailored to meet your specific requirements, ensuring that you are getting the best protection for your site at a competitive cost.

OUR SERVICES

SIA LICENSED GUARDS

We offer professionally trained and experienced security guards that can be deployed on site nationwide at short notice (usually within 4 hours.) Our operations team carefully select guards according to the project brief and site requirements. Site specific training is given prior to the start of any assignment.

FIRE MARSHALLS

Fire and smoke safety is frequently disregarded in businesses yet is absolutely vital to the health and safety of your staff and premises. Our fire marshal services are imperative to keeping your environment safe, reducing fire risks responding, evacuating swiftly and safely in the occurrence of a fire.

KEY HOLDING

Security Guards UK provide a 24 hour Key Holding service. We can deploy a member of our rapid mobile response teams to attend to alarm activations 24/7. Our key holding service stretches across the whole of the UK.

CCTV & ALARMS

Security Guards UK will design, install and maintain CCTV and alarm systems for your home and business. We utilise professional engineers with many years of experience. We install cutting-edge systems for your business & home including the latest remote viewing CCTV cameras.

ACCESS CONTROL

Security Guards UK are specialists in electronic security & surveillance systems. We successfully install, commission, and provide servicing of alarm systems and access control equipment to help monitor and control those going in and out of buildings.

CONCIERGE - CARETAKER

We understand the stress that comes with student accommodations. Late night lock outs, fire alarms and around the clock activity. Take the stress away from your accommodation staff and let our trained concierge officers take control.

OUR HAPPY CLIENTS

CENTRAL QUAY - CAPITOL STUDENTS

HEANTUN POINT - HOST

TESTIMONIES...

CENTRAL QUAY - CAPITOL STUDENTS

Having worked with security companies for many years, Security Guards UK is far above the rest. Always professional, keen to support and a team with the best work ethics I have known. I am always amazed by the service they provide, and I cannot recommend them enough to anyone looking for a reliable and professional security company.

HEANTUN POINT - HOST

We have used Security Guards UK now for a number of years, I can honestly say you get what you pay for. Professional operators, from the senior management to the guards. A short notice requirement for security was submitted, where others have failed to meet, Security Guards UK delivered what we needed, at a fantastic price. Well done again!!

ALL OUR STUDENT ACCOMMODATION OFFICERS COME FIRE MARSHALL TRAINED

OUR OTHER SERVICES

At Security Guards UK, we provide more than just security services for student accommodations. Over our 20 year stretch in the industry we have expanded our range of services to include concierge, care takers, handy men, cleaning services and much more.

MOBILE PATROLS

Security Guards UK provide a 24 hour Key Holding service. We can deploy a member of our mobile response team to attend to alarm activations 24/7. Ideal for sites where students who get locked out of their accommodation need urgent response.

TEMPORARY CCTV CAMERAS

We deliver the most advanced temporary surveillance security solutions within the industry, ensuring outstanding value and incredible standards of service. Our temp cameras, manufactured in the UK comes with Security Guards UK branding as a clear deterrent to any potential criminals.

CLEANERS

We can provide experienced cleaners to carry out a professional cleaning service including offices, communal areas and internal and external parts of buildings. Whether it be a student accommodation or factory, our dedicated, friendly cleaning squads will help make your workspace a clean and enjoyable environment.

“ Far too often security is hired as a reaction to an already committed crime - by then it's too late. Protect your property before you've become a victim. ”

A TRUSTED SUPPLIER

SIA LICENSED OFFICERS

We carry out thorough checks on all of our operatives before we dispatch them on site. An SIA license is a mandatory requirement for all security officers working on any of our projects. We only supply highly trained and experienced personnel.

DBS / FULLY VETTED STAFF

All our officers are fully DBS checked to ensure that we are always deploying extensively screened officers on our sites. After all, we believe that the integrity of the site is number 1 priority.

FULLY INSURED

We hold complete employers, public and product liability insurance. All our officers are fully insured to carry out their services on site. This provides peace of mind to our clients knowing that they are using a bonified and insured supplier.

BRITISH STANDARDS COMPLIANCE

Security Guards UK comply with the following British Standards:

- BS7958 – CCTV
- BS7499 – Security Guarding
- BS7858 – Security screening of personnel
- BS 7984-3:2020 – Key Holding
- BS ISO 9001 – Quality Management systems.

QUALIFIED
FIRE MARSHAL

OUR ACCREDITATIONS

An all in one solution that helps companies adopt best practises for risk prevention.

Internationally recognised standard for quality management proving proof of internal efficiency and effectiveness.

This accreditation assists companies in simplifying procurement tasks, reduce risks and keep up to date with new legislations.

A business must prove that they are a safe and responsible company, ensuring that all paperwork and policies comply with current legislation.

SMAS Worksafe is a nationally recognised Health & Safety accreditation used to demonstrate your business' Health & Safety standards.

British Security Industry Authority is the trade association for the professional security industry in the UK. We are proud members.
