SECURITY GUARDS UK

GATEHOUSE SECURITY

Whatever the site, small or large, day or night, our Gatehouse Security service ensures that everything going in and out of your site is accounted for. Our officers are given site specific training and can even conduct regular yard patrols and trailer inspections to help ensure that the integrity of the site is kept up to the highest standards.

Our Gatehouse guarding service includes:

- Visible Presence On Site
- Logging in Vehicle
- Trailer/Personnel Inspections
- & Much more...

**SECURITY ISN'T JUST
OUR PROFESSION**

**IT'S OUR
PASSION**

BANKSMAN

RELIABLE, PROFESSIONAL BANKSMEN

We have reliable, professional banksmen that can be deployed on site, nation wide within 4 hours. Our operations team carefully select guards according to the project brief. Site specific training is given prior to the start of any project so we can provide you the best guards for your site. All of our guards are SIA and Banksmen trained in addition to going through a detailed, thorough vetting program.

THE ROLE OF A BANKSMAN:

- The banksmen will help keep all site vehicle traffic in good flow.
- Communicate with drivers and plant operators
- Direct the movement of the trucks and lorry's into small spaces for loading and unloading.
- Conduct personnel and trailer checks to ensure correct loads are coming in
- Keeping pedestrians away from areas of traffic in the event of an accident
- Help guide Lorrys, Cranes, Trucks, Bulldozers, Cement Mixers and other large vehicles.

All our operatives come not only banksmen trained but also Fire Marshall accredited as well as fully SIA licensed. We only select the best candidates based on an extensive criteria to ensure that we are always supplying a professional and elite security service.

EXPERT SECURITY

THAT YOU CAN TRUST

WHY CHOOSE US?

ABOUT US

Our mission at Security Guards UK is to deliver the highest level of service to our clients whilst offering a complete cost effective Security Solution. We endeavour to provide a reliable service which is also complimented by our large resource backup.

20+ YEARS EXPERIENCE

We provide a range of security solutions that are utilised by many businesses up and down the UK. We take pride in be able to associate ourselves with some of the UK's largest companies and being able to provide our security services to them,

Why dont you get in touch with our security experts today if you have any security concerns regarding your site? Each of our services are tailored to meet your specific requirements, ensuring that you are getting the absolute best protection for your site at a competitive cost.

OUR SERVICES

SIA LICENSED GUARDS

We offer professionally trained and experienced security guards that can be deployed on site nationwide at short notice (usually within 4 hours.) Our operations team carefully select guards according to the project brief and site requirements. Site specific training is given prior to the start of any assignment.

CCTV & ALARMS

Security Guards UK will design, install and maintain CCTV and alarm systems for your home and business. We utilise professional engineers with many years of experience. We install cutting-edge systems for your business & home including the latest remote viewing CCTV cameras.

CANINE SECURITY

We utilize highly trained canines & experienced handlers to help provide a premium service. Canine security is a unique and effective approach to meeting the security needs of our clients. Our expert handlers and highly trained dogs have years of experience behind them.

FIRE MARSHALLS

Fire and smoke safety is frequently disregarded in businesses yet is absolutely vital to the health and safety of your staff and premises. Our fire marshall services are imperative to keeping your environment safe, reducing fire risks responding, evacuating swiftly and safely in the occurrence of a fire.

ACCESS CONTROL

Security Guards UK are specialists in electronic security & surveillance systems. We successfully install, commission, and provide servicing of alarm systems and access control equipment to help monitor and control those going in and out of buildings.

KEY HOLDING

Security Guards UK provide a 24 hour Key Holding service. We can deploy a member of our rapid mobile response teams to attend to alarm activations 24/7. Our key holding service stretches across the whole of the UK.

OUR OTHER SERVICES

At Security Guards UK, we provide more than just provide expert construction site security officers. Over our 20 year stretch in the industry we have expanded our range of services to include gatemen, banksmen, labourers, fire marshalls and much more.

MOBILE PATROLS

Security Guards UK provide a 24 hour Key Holding service. We can deploy a member of our mobile response team to attend to alarm activation's 24/7. Ideal for sites where students who get locked out of their accommodation nd need urgent response.

TEMPORARY CCTV CAMERAS

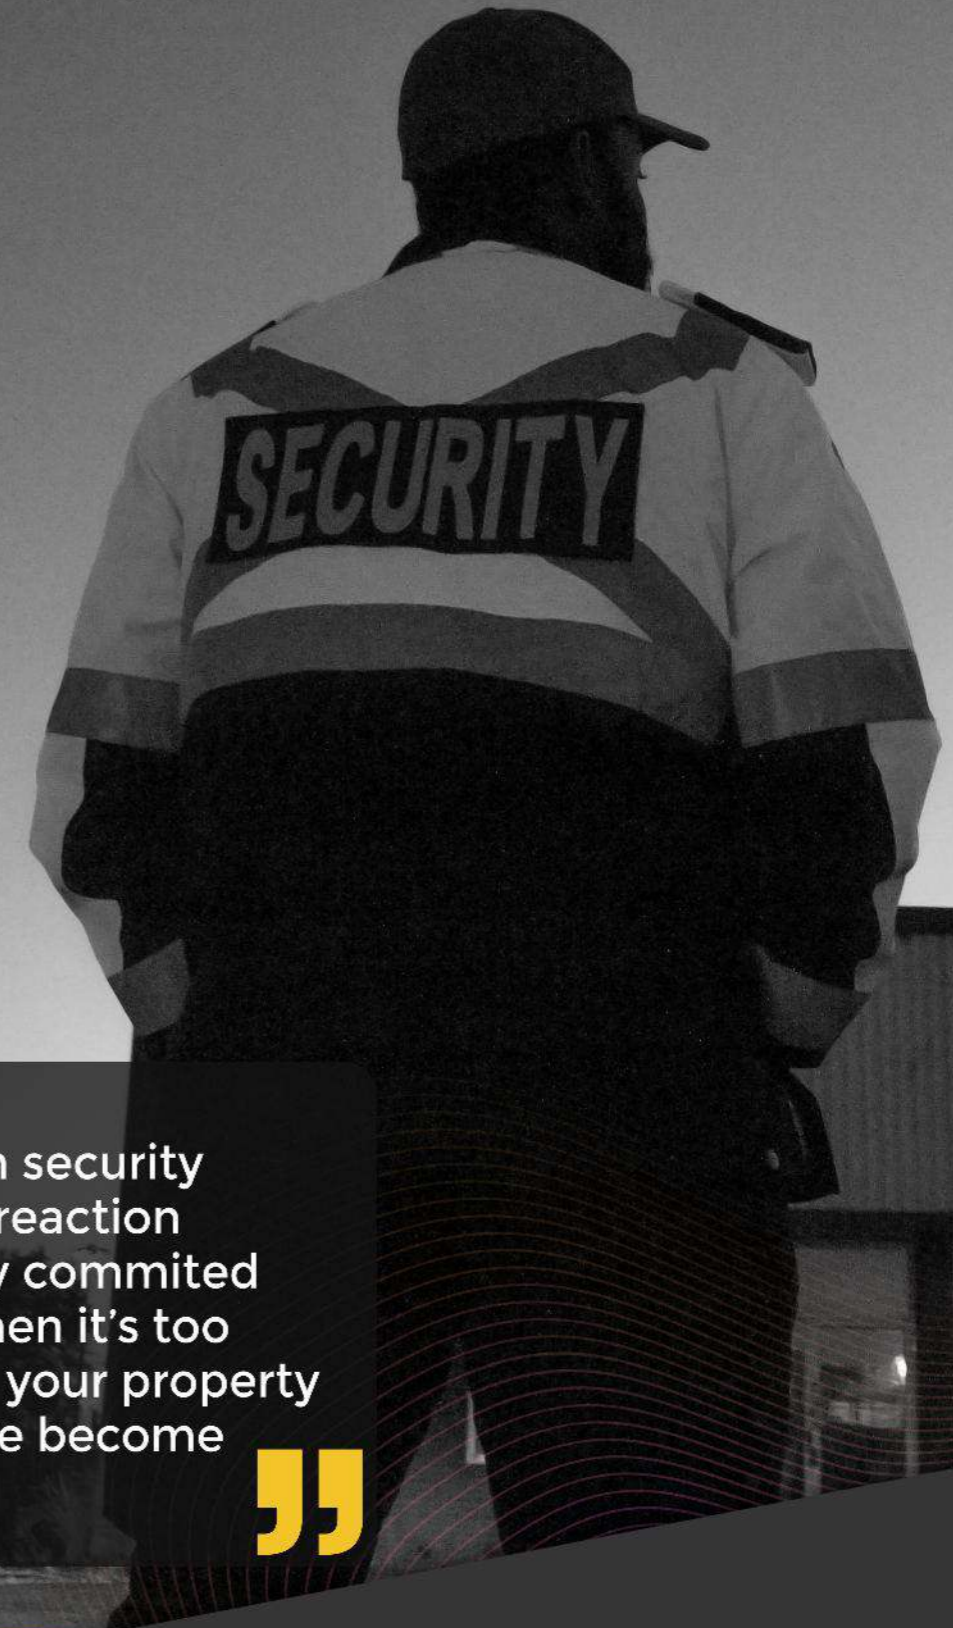

We deliver the most advanced temporary surveillance security solutions within the industry, ensuring outstanding value and incredible standards of service. Our temp cameras, manufactured in the UK come with Security Guards UK branding as a clear deterrent to any potential criminals.

CLEANERS

We can provide experienced cleaners to carry out a professional cleaning service including offices, communal areas and internal and external parts of buildings. Whether it be a student accommodation or factory, our dedicated, friendly cleaning squads will help make your workspace a clean and enjoyable environment.

“ Far too often security is hired as a reaction to an already committed crime - by then it's too late. Protect your property before you've become a victim. ”

A TRUSTED SUPPLIER

SIA LICENSED OFFICERS

We carry out thorough checks on all of our operatives before we dispatch them on site. An SIA license is a mandatory requirement for all security officers working on any of our projects. We only supply highly trained and experienced personnel.

DBS / FULLY VETTED STAFF

All our officers are fully DBS checked to ensure that we are always deploying extensively screened officers on our sites. After all, we believe that the integrity of the site is number 1 priority.

FULLY INSURED

We hold complete employers, public and product liability insurance. All our officers are fully insured to carry out their services on site. This provides peace of mind to our clients knowing that they are using a bonified and insured supplier.

BRITISH STANDARDS COMPLIANCE

Security Guards UK comply with the following British Standards:

- BS7958 – CCTV
- BS7499 – Security Guarding
- BS7858 – Security screening of personnel
- BS 7984-3:2020 – Key Holding
- BS ISO 9001 – Quality Management systems.
